Preamble

- 1) TDS as applicable shall be deducted from the bills of the agency.
- 2) The rates shall be offered in the enclosed “Bill of Quantity” (BOQ). The rates shall include cost of all activities, wages, all allowances and benefits, payment towards EPF & PF contributions, incidental costs, insurance etc. (as applicable) except GST, which will be paid extra after submission of documentary evidence on reimbursement basis.
- 3) The Bill of Quantities shall be read in conjunction with the Instruction to Bidders, General and special Conditions of Contract, Technical Specification, etc.
- 4) The Bidder should closely peruse all the specification clauses for items of works for which he is tendering his rates.
- 5) The quantities given in the Bill of Quantities are approximate and provisional, which are given to provide a common basis for making payment for works. Actual quantities of work are likely to increase or decrease as per the requirement at site. Hence, there is no claim for any additional or less quantities than the specified in the BOQ.
- 6) The rates in the Bill of Quantities shall, except in so far as it is otherwise provided under the Contract, include all plant, labour, supervision, materials, erection, transportation, maintenance, insurance, toll, administrative overheads, profit, all taxes and duties, together with all general risks, liabilities and obligations set out or implied in the Contract.
- 7) General directions and description of work and materials are not necessarily repeated nor summarized in the Bill of Quantities. The whole cost of complying with the provisions of the Contract shall be included in the items provided in the Bill of Quantities.

8) REPLACEMENT OF PLANT MATERIAL:

Plants found damaged / mortal are to be replaced within 15 days time. If the CONTRACTOR fails to replace the plant within 15 days the NHSRCL reserves the right to replace it and recover the cost for the same from the CONTRACTOR's bill / security deposit.
