

## **Skill development programme at NHSRCL**

National High Speed Rail Corporation Limited

(NHSRCL) MD Achal Khare awarded the certificates to the trainees of skill development programme being organised by NHSRCL, in association with Rural Development and Self Employment Training Institute (RUDSET). Twenty-six youths from 11 villages of Kheda and Anand districts received certificates for the Future Entrepreneur Training Programme for Project Affected Families by NHSRCL. Under this programme, a Computer Hardware and Networking Programme for prospective youths was started by RUDSET Institute, Nadiad on June 26, 2019, and 26 youths benefitted from the 45-day skill development training programme.
