

Glimpse of bullet train presented

TIMES NEWS NETWORK

Ahmedabad: At the Vibrant Gujarat trade show on the helipad ground, the National High Speed Rail Corporation Limited (NHSRCL) gave a glimpse of the bullet train that will run between Ahmedabad and Mumbai.

The NHSRCL had a special simulator in place for those

who wanted an experience of the ride.

When it comes to passenger comforts, on offer are special rooms for breastfeeding mothers, reclining seats with substantial legroom, and toilets that have been created with disabled people in mind. As for security, 'SOS' buttons will help passengers call the train staff.
