

PEs come forward in the fight against Coronavirus

The Government of India has recently announced a public charitable trust under the name of 'Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund' (PM CARES Fund) with Prime Minister as the Chairman of the trust. Many public enterprises have come forward in the fight against the pandemic caused by COVID-19 and contributed generously to the fund. They have also provided support through infrastructure, equipment, logistics and awareness drives. Here's a list of the various PEs and their contributions towards the cause:

NHSRCL: NHSRCL in its endeavour to fight against the Coronavirus pandemic distributed food items in Dungra village of Vapi district in Gujarat, amongst poor tribal families and fam-

ilies of daily wage earners in Alunj and Umawada villages of Bharuch districts. NHSRCL also distributed face masks and sanitisers/soaps to construction workers at Sabarmati Passenger hub construction site in Sabarmati, Ahmedabad.
