

NHSRCL, in collaboration with CEDP training institute (Thane), recently organized Hotel Management training for 14 candidates from the villages of Thane district under its Income Restoration Program for project affected households. These candidates have completed their classroom training and will now pursue their six-months-long job training in a reputed Hotel in Andheri, Mumbai. While digitally interacting with the participants, the Managing Director, NHSRCL, Achal Khare said "India is a young country and our youth must work towards acquiring skills so that they can become Atmanirbhar and also contribute to nation building. NHSRCL is committed to provide skill development trainings in various disciplines and help young minds improve their employment opportunities."
