Instructions to Tenderers (ITT)

1.0	General
1.1	Name of the Work: “Mumbai – Ahmadabad High Speed Rail Project: Proposed Mitigation Measures in Sanjay Gandhi National Park & Tungreshwar Wildlife Sanctuary for wildlife Movement between HSR Ch: 47.600 to 48.600 (approx.)”
1.2	<p>The bidder should accompany the following documents duly sealed in the tender envelope:</p> <ul style="list-style-type: none"> i) Attested copies of Affidavit for sole proprietorship / partnership deed / memorandum and Articles of Association along with details pertaining to place of registration, principal place of business of the firm, etc. ii) Attested copy of power of attorney on non judicial stamp paper of appropriate value of the signatory of bid on behalf of the tenderer. iii) Earnest Money Deposit of Rs. 82,000/- (Rs. Eighty Two Thousand only) may be submitted in the form of Pay Order/Demand Draft/Fixed Deposit Receipt payable in favour of M/s National High Speed Rail Corporation Limited at New Delhi. Tender received without Earnest Money Deposit shall be summarily rejected. iv) Attested copy of Goods and Service Tax Registration (as applicable) & PAN Card. v) Details of deployment of resources. vi) Last Three financial year's and current financial year audited Balance Sheet duly certified by Chartered Accountant for eligibility criteria. vii) Copies of the work completion certificates duly attested from the clients for having completed works of similar nature should be as per enclosed format. viii) A copy of notarized affidavit non-judicial stamp paper stating that they are not liable to be disqualified and all their statements/ documents submitted along with bid are true and factual. Standard format of the affidavit to be submitted by the bidder is enclosed as Annexure C. Non-submission of a copy of notarised affidavit by the bidder shall result in summarily rejection of his/ their bid. It shall be mandatorily incumbent upon the tenderer to identify, state and submit the supporting document duly self-attested by which they/he are/is qualifying the Qualifying Criteria mentioned in the tender document.
1.3	The work is proposed to be executed under the following relationship:
a)	Client / Employer: National High-Speed Rail Corporation Limited, 1105 -1106, Eleventh Floor, Universal Majestic, P.L Lokhande Marg, Chembur (west), Mumbai
b)	Contractor: The successful Tenderer to whom the work is awarded shall become the Contractor who will execute the work.
1.4	Throughout these bidding documents, the terms “bid” and “tender” and their derivatives (“bidder”/ “Tenderer”) “bid/tendered”, “bidding”/ “tendering” etc. are synonymous. Day means calendar day. Singular also means plural.

1.5	<p>Scope of Work: The brief scope of work includes preparation of GAD and reality modeling for Overpass over the alignment of DFCCIL, IR and underpass below alignment of NHSRCL, MMC and elevated PWD road, designing of technical requirements related to wildlife corridor, Support services for getting stage-II clearances from MoEFCC and other authorities and structural design of PWD road and cost estimation as per approved GAD including complete approvals. (Refer Terms of References for detailed scope of work)</p>
1.6	<p>Tenderers may carefully note that they are liable to be disqualified at any time during the tendering process in case any of the information furnished by them is found to be inaccurate or untrue. Tenderers may carefully note that they are liable to be disqualified at any time during the tendering process in case any of the information furnished by them is found to be inaccurate or untrue.</p>
1.7	<p>A Tenderer shall submit only one bid in the capacity of an Individual or Sole Proprietor, Partnership firm or Company. Violation of this condition is liable to a Tenderer's disqualification. Joint Venture (s) / Consortium (s)/ Association (s) cannot participate in this tender.</p>
2.0	<p>Rates / Prices/Costs The rates shall be offered in the enclosed "Bill of Quantity" (BOQ). The rates shall include cost of all activities, wages, all allowances and benefits, payment towards entitled medical and annual leave, PF & PF contributions, incidental costs, insurance (as applicable).</p>
3.0	<p>BIDDING DOCUMENTS</p>
3.1	<p>Content of bidding documents The bidding documents include the following: Notice Inviting Tender (NIT) Bidding Application Instruction to Tenderer (ITT) Special Conditions of Contract (SCC) Performa Bill of Quantities</p>
3.2	<p>The bidder is expected to examine all instructions, terms, conditions, forms, specifications and any other information in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the bidder's risk and may result in rejection of their bid.</p>
4.0	<p>COST OF BIDDING</p>
4.1	<p>The bidder shall bear all costs associated with the preparation and submission of the bid and the Employer will in no case be responsible or liable for these costs regardless of the conduct or the outcome of the bidding process.</p>
5.0	<p>UNDERSTANDING AND AMENDMENT OF TENDER DOCUMENTS</p>
5.1	<p>The bidder must obtain for itself on its own responsibility and its own cost all the information including risks, contingencies & other circumstances in execution of the work. It shall also carefully read and understand all its obligations & liabilities given in tender documents.</p>
5.2	<p>The bidder is advised to visit and examine the site where the work is to be executed and its surroundings or other areas as deemed fit by the bidder and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and execution of the contract. The cost of</p>

	visiting the site and collecting relevant data shall be at the bidder's own expenses. It is a condition of the tender that the Tenderer is deemed to have visited the site and satisfied himself with all the conditions prevailing including any difficulties for executing the work.
5.3	At any time prior to the deadline for submission of bids, Employer may for any reason whether at its own initiative or in response to any request by any prospective bidder amend the bidding documents by issuing Corrigendum, which shall be part of the Tender documents. The amendment shall also be published in NHSRCL website (www.nhsrcl.in) and on CPP portal (https://eprocure.gov.in/cppp/). Non-inclusion of corrigendum shall be considered incomplete submission and such offers shall be liable for rejection
5.4	Employer may at its discretion extend the deadline for submission of the bids at any time before the time of submission of the bids and the same will be published in NHSRCL website (www.nhsrcl.in) and on CPP portal (https://eprocure.gov.in/cppp/).
6.0	Language of Bid
6.1	The bid prepared by the bidder and all documents related to the bid shall be written in English.
7.0	Signing of all Bid Papers and Completing Bill of Quantities
7.1	All the pages of the tender documents, Bill of Quantities and accompanying documents must be properly stamped and signed by the authorized signatory holding the Power of Attorney on each page. (The bidder is to enclose a copy of Power of Attorney).
7.2	The bidder must fill and submit the prices and % rate above or below as per instructions given in Bill of Quantities. He shall not make any addition or alteration.
7.3	Any overwriting, erasures or cancellations shall only be valid, if they are initialed by the signatory (ies) to the bid.
8.0	DEVIATIONS
8.1	The bidder should clearly read and understand all the terms and conditions, specifications, corrigendum etc. mentioned in the original tender documents. If the Tenderer has any observations, the same may be indicated in his forwarding letter along with the tender. The Tenderer is advised not to make any corrections, additions or alterations in the original bid documents. If bidder makes any correction in his own entries the same shall be initialed and stamped by him. If this condition is not complied with, bid is liable to be rejected.
9.0	Deadline for submission of tender
9.1	The tender duly filled must be received by Employer at address specified not later than the date and time as mentioned in the "Notice Inviting Tender".
9.2	Any tender related documents received later than the deadline prescribed for submission of tender by Employer shall be rejected.
9.3	Tender brought to the office of Employer later than the deadline prescribed but before the opening time mentioned in the bidding document shall be declared as delayed tender and may be considered by Employer and decided on its merits. The decision of the Employer shall be final and binding.
9.4	Any Tender received after opening of the tender shall be rejected and returned unopened to the Tenderer.

Rachit Jain
Mgr/cy

Page | 21

Signature of Tenderer

10.0	Withdrawal of tender
10.1	No tender can be withdrawn after submission and during tender validity period.
10.2	Submission of a tender by a Tenderer implies that he had read all the tender documents including amendments if any, visited the site and has made himself aware of the scope and specifications of the work to be done, local conditions and other factors having any bearing the work.
11.0	Sealing and Marking of tender document
11.1	The bidder shall submit the sealed tender in original clearly mentioning the name of work, due date and time of submission of the tender, name and address of the bidder and address of the tenderer. All documents should be submitted in one envelope unless specified.
12.0	Transfer of tender documents
	Transfer of Tender documents purchased by one intending Tenderer to another Tenderer is not permissible. Tenderer can submit tender only on the documents purchased by him.
13.0	Earnest money
13.1	Earnest Money Deposit
	The Tenderer must furnish the Earnest Money as indicated in Notice Inviting Tender' for the work as specified failing which the tender shall be summarily rejected. The Earnest Money may be in any one of the following forms:
	<p>a. Pay Order/Demand Draft of any Scheduled Bank in India in favour of National High Speed Rail Corporation Limited payable at New Delhi. It is mandatory for bidders to provide their bankers details (name of bank and branch) along with their own bank details (account no., name of account holder, NEFT / RTGS details).</p> <p>b. Fixed Deposit Receipt issued by any Scheduled Bank in India endorsed in favour of National High Speed Rail Corporation Limited payable at New Delhi.</p> <p>c. No interest shall be allowed on Earnest Money Deposit.</p> <p>d. Any firm recognized by Department of Industrial Policy and Promotion(DIPP) as 'Startups' shall be exempted from payment of earnest money deposit detailed above.</p> <p>For the successful Tenderer, earnest money will be retained as part of the security deposit.</p>
13.2	Forfeiture of Earnest Money:
	The Earnest Money of the successful Tenderer is liable to be forfeited if he fails to: sign the Contract Agreement in accordance with the terms of the tender, or Commence the work within the time period stipulated in the tender.
	In case of forfeiture of EMD, the Tenderer shall be debarred from bidding in case of re-invitation of the tenders.
13.3	Return of Earnest Money:
	The Earnest Money of the unsuccessful Tenderers in the form of FDR shall be discharged and returned as promptly as possible and the Earnest Money in the form of DD/Pay Order shall be directly credited to his bank account through Electronic Fund Transfer, under advice to the bidder.
14.0	Period of validity of the tender

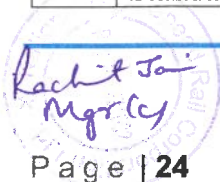

14.1	The tender shall remain valid for the period indicated in "NIT" after the date of the opening of the tender. If the Tenderer gives validity period less than that fixed/prescribed by Employer, the tender shall be liable to be rejected.
14.2	Notwithstanding the above clause, Employer may solicit the Tenderers' consent to an extension of the validity period of the tender. The request and the response shall be made in writing.
15.0	Submission of tenders
15.1	The tender shall be submitted on or before the due date and time with all the relevant documents as mentioned in the tender documents and the following:
	Forwarding letter of the Tenderer. Any special conditions shall be brought out clearly in the forwarding letter. Any special condition quoted elsewhere in the tender document shall not be considered part of offer.
15.2	Before submitting the tender, the Tenderer/s will be deemed to have satisfied himself by his actual inspection of the site, climatic condition records from state government and/or Indian Meteorological Department and the locality of the works that all conditions liable to be encountered during execution of the works are taken into account and that the rates quoted by the Tenderer/s in the tender schedule are adequate and all-inclusive for the completion of works to the entire satisfaction of the Officer-in-charge.
16.0	Bid opening and evaluation
16.1	Tenders will be opened at the address mentioned in "Notice Inviting Tender" in presence of Tenderers or authorized representatives of Tenderers who wish to attend the opening of tenders. Physical presence during Bid opening is optional.
16.2	Tenderers or their authorized representatives who are present shall sign register in evidence of their attendance.
16.3	Tenderers name, presence or absence of requisite total cost of work quoted or any other details as Employer may consider appropriate will be announced and recorded at the time of bid opening.
17.0	Negotiation
17.1	<p>The Employer/Officer-in-charge reserves the right to negotiate the offer submitted by the Tenderer/s to withdraw certain conditions or to bring down the rates to a reasonable level. The Tenderer must note that during negotiation of rates of items of BOQ can only be reduced and not increased by the Tenderer. In case the Tenderer introduces any new condition or increases rates of any item of BOQ, his negotiated offer is liable to be rejected and the original offer shall remain valid and binding on him.</p> <p>Should NHSRCL decide to negotiate with view to bring down the rates, the Tenderer called for negotiation should furnish the following form of declaration before the commencement of negotiation.</p> <p>"I _____ do declare that in the event of failure of _____ contemplated _____ negotiations relating to _____ Tender No. _____ dated _____ my original tender shall remain open for acceptance on its original terms and conditions."</p>

Signature of Tenderer

18.0	Evaluation of Bid.
18.1	The Employer shall examine the bids to determine whether they are complete, whether copy of all relevant documents have been received not later than the prescribed date and time for bid submission and generally in order.
18.2	Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected.
18.3	<p>Prior to the detailed evaluation, Employer shall determine whether each bid is of acceptable quality, is generally complete and is substantially responsive to the bidding documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions and specifications of the bidding documents without material deviations, objections, conditionality or reservation. A material deviation, objections, conditionality or reservation is one:</p> <p>That affects in any substantial way the scope, quality or performance of the contract.</p> <p>That limits in any substantial way, inconsistent with the bidding documents, the Employers' rights or the successful Bidder's obligations under the contracts; or</p> <p>Whose rectification would unfairly affect the competitive position of other Bidders who are presenting substantially responsive bids.</p>
18.4	In case of tenders containing any conditions or deviations or reservations about contents of tender document, Employer may ask for withdrawal of such conditions/deviations/reservations. If the Tenderer does not withdraw such conditions/deviations/ reservations, the tender shall be treated as non- responsive. Employer's decision regarding responsiveness or non-responsiveness of a tender shall be final and binding.
19.0	Canvassing
19.1	No Tenderer is permitted to canvass to Employer on any matter relating to this tender. Any Tenderer found doing so may be disqualified and his bid may be rejected.
20.0	Right to accept any tender or reject all tenders
20.1	Employer/officer-in-charge reserves the right to accept, split, divide, negotiate, cancel or reject any tender or to annul and reject all tenders at any time prior to the award of the contract without incurring any liability to the affected Tenderers or any obligation to inform affected Tenderer, the grounds of such action.
21.0	Award of contract
21.1	Employer/ officer-in-charge shall notify the successful Tenderer in writing by a Registered Letter/Courier/ Speed Post/FAX or per bearer that his tender has been accepted.
21.2	Letter of Acceptance shall constitute a legal and binding contract between Employer/Officer-in-charge and the Contractor till such time the contract agreement is signed.
22.0	Standard of service (s)

 Rachit Jain
 Mgr/CS

22.1	<p>Tenderer shall carry out the services in conformity with the generally accepted norms and sound standards. Tenderer shall be responsible for the services rendered. In case of any deficiency or otherwise Tenderer shall promptly correct the same.</p> <p>The Contractor shall indemnify and save harmless NHSRCL from and against all actions, suit proceedings losses, costs, damages, charges, claims and demands of every nature and description brought or recovered against NHSRCL by reason of any act or omission of the Contractor, his agents or employees, in the execution of the works or in his guarding of the same. All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the actual loss or damage sustained, and whether or not any damage shall have been sustained.</p>
23.0	Completion of work (s)
23.1	The duration of work shall be 06 months.
24.0	Quoting the Rate Rates should be quoted in BOQ only in figures and in words. Rate quoted elsewhere in the tender document or given in separate envelope shall not be evaluated and tender shall be considered incomplete.
25.0	Special Conditions Any special conditions shall be brought out clearly in the forwarding letter. Any special condition quoted elsewhere in the tender document shall not be considered part of offer.

TERMS OF REFERENCE / SCOPE OF WORK

(Page intentionally Kept Blank)

Signature of Tenderer

<p>1.0</p>	<p>General Information</p> <p>The Proposed alignment of the MAHSR passes through the various land use in the state of Maharashtra and Gujarat. The Current approved alignment is passing through Protected Wildlife Area and Eco Sensitive Zone of the areas of Thane Creek Flamingo Sanctuary (TCFS), Sanjay Gandhi National Park (SNGP) and Tungareshwar Wildlife sanctuary (TWLS).</p> <p>The HSR corridor passes through underground alignment in TCFS, and on viaduct in SGNP and TWLS. A narrow corridor of about 100m is available between HSR CH: 48.200 and CH:48:600, as the only viable area between the SGNP and TWLS for planning linear infrastructure projects connecting the Mumbai Metropolitan area with the areas of north. At present, Dedicated Freight Corridor (DFCCIL), Multi Model Corridor also proposed along with Mumbai Ahmadabad High Speed Rail Corridor, from the same narrow corridor. Suitable mitigation measures need to be adopted for SGNP-TWLS multiple project corridor such that wild life crossing and conservation efforts can be achieved, while ensuring that the project should also remain feasible for implementation.</p> <p>NHSRCL had submitted its proposal to the National Board of Wildlife (NBWL), in accordance of the Wildlife Protection Act 1972 to permit the construction of Mumbai – Ahmadabad High Speed Rail Project form above Sanctuaries/ National Park. As per proposal diversion of forestland and non-forestland from Thane Creek Flamingo Sanctuary, Sanjay Gandhi National Park and Tungareshwar Wildlife Sanctuary for project is required.</p> <p>The NBWL Standing Committee have recommended the project subject conditions as under;</p> <ol style="list-style-type: none"> 1. Permissions for starting the work on the project shall be granted by the state government only when Animal Passage Plan is prepared by project proponents in consultation with State Chief Wildlife Warden on the basis of WII guidelines named Eco Friendly Measures to Mitigate Impact on Linear Infrastruture on Wildlife. 2. The project proponent will comply with all the conditions imposed by the State Chief Wildlife Warden and Mitigative measures imposed by Committee constituted by the State Board for Wildlife. 3. Annual compliance certificate on the stipulated conditions should be submitted by the project proponent to the State Chief Wildlife Warden and an annual compliance certificate shall be submitted by the State Chief Wildlife Warden to GoI.
<p>2.0</p>	<p>Detailed Scope of Work</p> <p>For Preparation of Animal Passage plan and compliance of other conditions the following activities are required;</p> <p>2.1 Preparation of General Arrangement Drawing (GAD) and reality modelling for Overpass over existing Railway line and proposed DFC & MRVC lines and Underpass below elevated PWD road, HSR and MMC Corridor and GAD for widening of culvert below IR and PWD road.</p> <p>General Arrangement Drawing is required to be prepared for a combined Overpass (over the existing Diva - Vasai railway line and proposed DFC line) and Underpass (under MAHSR, MMC and an elevated PWD road). At present, PWD road is at grade. Elevated Road is to be planned to facilitate crossing of wildlife from passage below if required.</p>

Signature of Tenderer

The following sub works are part of preparation of GAD and reality modelling;

- a. Collection, study and interpretation of plan & section of Mumbai Rail Vikas Corporation line (MRVC), DFCCIL Line, Multimodel Corridor of MMRDA. It will include coordination and collection of details from all stakeholders.
- b. Carrying out the survey of the alignment using mid height capability mapping drone of Indian licensed manufacturer having various interoperable Medium Altitude Long Endurance (MALE) drone with at least 24 megapixel camera and variety of payload and sensors. (including taking permissions for flying Drone)
- c. Carrying out a detailed topographic survey, using digital aero triangulation and GPS, need to be done along the alignment of MAHSR for sufficient width (atleast 75 m on LH side and 50 m on RH side), so that alignment of DFCCIL, MMC, IR are covered.
- d. Preparation and approval of GAD for overpass over the alignment of DFCCIL, IR, and under pass below alignment of NHSRCL MMC and elevated PWD road.
- e. Preparation of GAD for elevation of existing PWD road suitably to accomodate underpass below it.
- f. Preparation of GAD for widening of existing culverts under PWD road and Indian Railway line wherever required.
- g. Preparation of report in both electronic format (in X, Y, Z Coordinate system), 3D Models and hard copies. The digital output needs to be a high-resolution 3D model of the existing conditions with a navigable fully photo-textured, geographically located 3D model with precise geometry. A licensed version of the software for future processing needs to be delivered along with the 3d model. Plans, longitudinal sections and cross-sections shall be prepared to the scale.
- h. Still oblique photography to create 3D vector model.
- i. Preparation of a scaled 3D rendered model in 3D max software having resolution upto 4K for the proposed overpass cum underpass, HSR, DFCCIL, MMC, utilities etc based on available technical specifications and drawings of NHRCL and other Agencies.
- j. Superimposition of 3D model of the proposed structures i.e. Overpass, DFCCIL alignment, NHSRCL alignment, MMC etc, on actual 3D model of the area.
- k. Preparation of animation film in augmented reality software using the rendered models and actual videos with well researched and drafted script in Marathi , Hindi and English languages.
- l. Prepare final documentary film of actual work done and the challenges faced using stock photos and videos)

m. Getting approval of GAD from different stakeholder i.e. DFCCIL, Indian Railways, MRVC, MMRDA, PWD and Chief Warden of Wildlife.

n. Submission of BOQ and item wise cost estimate for civil works supported by rate analysis.

Designing the technical requirements related to effective wildlife corridors

2.2 Once civil works of the Overpass cum Underpass are completed, it need to be suitable modified to suit to requirement of wild life corridor. The following works required to be carried out for the it;

a. Preparation of the Animal Passage Plan in consultation with State Chief Wild Life Warden on the basis of WII guidelines named *Eco Friendly Measures to Mitigate Impact on Linear Infrastrutture on Wildlife*.

b. Design of the technical requirements (re-wilding, Guide fencing ground preparation) related to effective wildlife corridors Co-ordination in consultation with joint wildlife corridor expert team comprising SGNP and TWLS Wildlife department, BNHS, Wildlife Institute (WII), Satpuda Foundation, Wildlife Conservation Trust (WCT).

c. Getting approval of Animal passage plan from concerned stakeholders i.e. Chief Warden of Wildlife.

d. Submission of BOQ and item wise cost estimate for Wild Life Corridor supported by rate analysis.

Support services for getting the Stage-II approval from MoEFCC and other authorities.

2.3 In this connection the agency need co-ordinate with Chief Wild Life Warden of Maharashtra and other authorities to do get stage II clearance. It also includes getting Clearances from MOEFCC and NBWL, if required. The work includes but not limited to, attending meeting on behalf of NHSRCL, preparation of presentations, drafting letters etc.

Structural Design of elevated PWD road as per approved General Arrangement Drawing.

2.4 The agency will submit detailed design, drawing and BOQ of all components of a viaduct i.e. design of foundations, piers, backfill, bearing, girder, slap, dirt wall, abutments, railings etc. including necessary geotechnical investigation at the proposed pier locations. Geotechnical report shall be submitted to NHSRCL separately.

Design shall be done as per applicable IS Code, IRC code and local instructions applicable for Mumbai Metropolitan Region if any. Proof checking of the design shall be done by IIT/B or any other reputed government institute. Actual cost of proof check shall be borne by NHSRCL.

The construction of the elevated PWD road shall be taken up by MMRDA, hence the agency shall coordinate with MMRDA to get the details/ guidelines regarding design criteria, parameters, format for submission, any special instruction etc.

Reporting and Submission

2.5

The agency shall submit the following,

- a. Approved of GAD for overpass over the alignment of DFCCIL, IR and under pass below alignment of NHSRCL, MMC and elevated PWD road. Approval will have to be taken from all stakeholders.
- b. Approved GAD for elevation of existing PWD road to accomodate under pass below it.
- c. Detailed BOQ and Item wise cost supported with Rate Analysis.
- d. A scaled 3D rendered model in 3D max software having resolution upto 4K for the proposed overpass cum underpass, HSR , DFCCIL, MMC, utilities etc based on available technical specifications and drawings of NHSRCL and other Agencies.
- e. Superimposed 3D model of the proposed structures i.e. Overpass, DFCCIL alignment, NHSRCL alignment, MMC etc, on actual 3D model of the area
- f. Animation film in augmented reality software using the rendered models and actual videos with well researched and drafted script in Marathi, Hindi and English languages
- g. Documentary film of actual work done and the challenges faced using stock photos and videos)
- h. Animal Passage Plan approved by Chief Wild Life Warden.
- i. Technical requirements (re-wilding, Guide fencing ground preparation) related to effective wildlife corridors as suggested by wild life corridor experts.
- j. Details of Underpass/ overpass being constructed by DFCCIL in Nagle village.
- k. Planning and design of existing culvert under PWD road to make it useful for wild life.
- l. Structural Design, Drawings and BOQ including cost estimate of elevated PWD road as per approved GAD. Submission will include but not limited to, good for construction drawings for foundations, piers, backfill, bearing, girder, slap, dirt wall, abutments, railings etc.

Completion Period

3.0

A total working period including the execution of the measuring is 180 days from the date of issue of LOA.

Payment terms

Payment terms shall be as under:

4.0	<u>Item</u>	<u>Description</u>	<u>Payment</u>	<u>Tentative time schedule (weeks)</u>
NS -1	Preparation of General Arrangement Drawing (GAD) and reality modelling for Overpass cum Underpass and elevated PWD road	Preparation of GAD for overpass over the alignment of DFCCIL, IR, and under pass below alignment of NHSRCL, MMC and elevated PWD road, from all authorities, initial approval from NHSRCL.	10%	D+4
		Approved GAD for overpass over the alignment of DFCCIL, IR, and under pass below alignment of NHSRCL, MMC and elevated PWD road, from all authorities	10%	D+8
		Preparation of GAD for elevation of existing PWD road to accommodate underpass below it, initial approval from NHSRCL	10%	D+4
		Approval of GAD for elevation of existing PWD road to accommodate underpass below it, initial approval from NHSRCL and Final approval from PWD	10%	D+8
		Preparation and submission of a scaled 3D rendered model in 3D max software having resolution up to 4K for the proposed overpass cum underpass, HSR, DFCCIL, MMC, utilities etc based on available technical specifications and drawings of NHSRCL and other Agencies, as per satisfaction of NHSRCL	10%	D+6
		Preparation and submission of superimposed 3D model of the proposed structures i.e. Overpass, DFCCIL alignment, NHSRCL alignment, MMC etc, on	10%	D+6

		actual 3D model of the area, as per satisfaction of NHSRCL		
		Preparation and Submission of animation film in augmented reality software using the rendered models and actual videos with well researched and drafted script in Marathi , Hindi and English languages, as per satisfaction of NHSRCL	10%	D+10
		Preparation and submission of documentary film of actual work done and the challenges faced using stock photos and videos	10%	D+26
		Submission of BOQ and item wise cost estimate for civil works supported by rate analysis	20%	D+8
NS-2	Designing the technical requirements related to effective wildlife corridors	Preparation and submission of approved Animal Passage Plan in consultation from State Chief Wild Life Warden	35%	D+12
		Preparation and submission of the technical requirements (re-wilding, Guide fencing ground preparation) related to effective wildlife corridors Co-ordination in consultation with joint wildlife corridor expert team comprising SGNP and TWLS Wildlife department, BNHS, Wildlife Institute (WII), Spatula Foundation, Wildlife Conservation Trust (WCT).	35%	D+12
		Submission of BOQ and item wise cost estimate for Wild Life Corridor supported by rate analysis.	30%	D+16

NS-3	Support services for getting the stage-II approval from MoEFCC and other authorities.	Stage II approval or physical start of work, whichever is earlier.	100%	D+24
NS-4	Structural Design of elevated PWD road as per approved General Arrangement Drawing.	Submission of basic designs, drawings and BOQ including cost estimates supported by rate analysis.	70%	D+10
		Proof Check by IIT/B or any other Government Institute and submission of Good for construction drawings.	30%	D+14

Codes and Manuals

5.0 The agency need to produce the report as per relevant IS codes and manuals. The agency will require to refer , but not limited to

1. Indian Railway Codes related to overhead structures (IRSOD-2004)
2. DFCCIL codes related to overhead structures.
3. Indian Road Congress code for ROB/RUB
4. Codes of Forest department in connection with Wild Life corridor.
5. Schedule of dimensions of NHSRCL
6. India Road Congress Codes

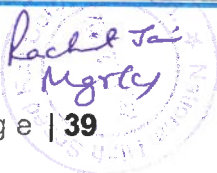

Department/ Agencies to be Consulted

6.0 The agency needs to work in coordination with various agencies since there are many project in the same reach. The list of such agencies is, but not limited to, as under;

1. Central Railway
2. Dedicated Freight Corridor Corporation of India Ltd.
3. Mumbai Metropolitan Rail development Corporation
4. Mahatranso Limited.
5. Mumbai Rail Vikas Nigam Limited
6. Public Works Division
7. Sanjay Gandhi National Park,
8. Tungreshwar Wild Life department,
9. Thane Creek flamingo Sanctuary
10. Wildlife Institute
11. Bombay natural History Society
12. Wildlife Conservation Trust
13. Satpuda Foundation

GENERAL CONDITIONS OF CONTRACT

Rachit Sai
Mgrdy

GENERAL CONDITIONS OF CONTRACT

The General Conditions of Contract governing the execution of the works covered by this tender are the "IR Standard General Conditions of Contract, November 2018" of the Engineering Department issued on 05.11.2018 including all corrections and Amendments issued up to date. A copy of the booklet incorporating the above "IR Standard General Conditions of Contract, November 2018" may be perused through the path: www.indianrailways.gov.in/railwayboard >> "About Indian Railways" >> "Railway Board Directorates" >> "Civil Engineering" >> "Policy Matters" >> IR General Conditions of Contract, Nov 2018".

In submitting this tender it would be deemed that the tenderer has kept him fully informed of the provision of IR Standard General Conditions of Contract, November 2018 including all corrections and Amendments issued up to date and claim that he is not aware of any amendment or correction slip to IR GCC shall not be entertained.

In case of dissimilarity in the designation mentioned in the IR Standard General Conditions of Contract, November 2018 and NHSRCL, officer of equivalent grade of NHSRCL shall be referred.

SPECIAL CONDITIONS OF CONTRACT

1.0	<p>Security Deposit :</p> <p>The Earnest Money deposited by the Contractor with his tender will be retained by the NHSRCL as part of security for the due and faithful fulfillment of the contract by the contractor. The balance to make up the Security Deposit, the rates for which are given below, may be deposited by the Contractor in cash or may be recovered by percentage deduction from the Contractor's "on account" bills. Provided also that in case of defaulting contractor, the NHSRCL may retain any amount due for payment to the Contractor on the pending "on account bills" so that the amounts so retained may not exceed 10% of the total value of the contract.</p> <p>Recovery Of Security Deposit : The Security Deposit/rate of recovery/mode of recovery shall be as under :</p> <ul style="list-style-type: none">(a) Security Deposit for each work should be 5% of the contract value,(b) The rate of recovery should be at the rate of 10% of the bill amount till the full Security Deposit is recovered,(c) Security Deposits will be recovered only from the running bills of the contract and no other mode of collecting SD such as SD in the form of instruments like BG (except Note (ii) below); FD etc. shall be accepted towards Security Deposit <p>Security Deposit shall be returned to the contractor after the expiry of the maintenance period in all the cases other than Note (i) mentioned below and after passing the final bill based on No Claim Certificate with the approval of the Competent Authority. The Competent Authority shall normally be the authority who is competent to sign the contract. If this Competent Authority is of the rank lower than JA Grade, then a JA Grade Officer (concerned with the work) should issue the certificate. The certificate, inter alia, should mention that the work has been completed in all respects and that all the contractual obligations have been fulfilled by the contractor and that there is no due from the contractor to NHSRCL against the contract concerned. Before releasing the SD, an unconditional and unequivocal 'No Claim Certificate' from the contractor concerned should be obtained.</p> <p>Note - After the work is physically completed, Security Deposit recovered from the running bills of a contractor can be returned to him, if he so desires, in lieu of FDR/irrevocable Bank Guarantee for equivalent amount to be submitted by him.</p> <p>No interest will be payable upon the Earnest Money and Security Deposit or amounts payable to the Contractor under the Contract, but Government Securities deposited in terms of Sub-Clause (1) of this clause will be payable with interest accrued thereon.</p>
2.0	<p>Performance Guarantee:</p> <p>The procedure for obtaining Performance Guarantee is outlined below :</p> <ul style="list-style-type: none">(a) The successful bidder shall have to submit a Performance Guarantee (PG), as per the format provided in IR Standard General Conditions of Contract, November 2018, within 30 (thirty) days from the date of issue of Letter Of Acceptance (LOA). Extension of time for submission of PG beyond 30 (thirty) days and upto 60 days from the date of issue of LOA may be given by the Authority who is competent to sign the contract agreement. However, a penal interest of 15% per

annum shall be charged for the delay beyond 30 (thirty) days, i.e. from 31st day after the date of issue of LOA. In case the contractor fails to submit the requisite PG even after 60 days from the date of issue of LOA, the contract shall be terminated duly forfeiting EMD and other dues, if any payable against that contract. The failed contractor shall be debarred from participating in re-tender for that work. er annum shall be charged for the delay beyond 30 (thirty) days, i.e. from 31st day after the date of issue of LOA. In case the contractor fails to submit the requisite PG even after 60 days from the date of issue of LOA, the contract shall be terminated duly forfeiting EMD and other dues, if any payable against that contract. The failed contractor shall be debarred from participating in re-tender for that work.

(b) The successful bidder shall submit the Performance Guarantee (PG) in the form of Irrevocable Bank Guarantee amounting to 5% of the contract value:

(c) The Performance Guarantee shall be submitted by the successful bidder after the Letter Of Acceptance (LOA) has been issued, but before signing of the contract agreement. This P.G. shall be initially valid upto the stipulated date of completion plus 60 days beyond that. In case, the time for completion of work gets extended, the contractor shall get the validity of P.G. extended to cover such extended time for completion of work plus 60 days.

(d) The value of PG to be submitted by the, contractor will not change for variation upto 25% (either increase or decrease). In case during the course of execution, value of the contract increases by more than 25% of the original contract value, an additional Performance Guarantee amounting to 5% (five percent) for the excess value over the original contract value shall be deposited by the contractor.

(e) The Performance Guarantee (PG) shall be released after physical completion of the work based on 'Completion Certificate' issued by the competent authority stating that the contractor has completed the work in all respects satisfactorily. The Security Deposit shall, however, be released only after expiry of the maintenance period and after passing the final bill based on 'No Claim Certificate' from the contractor.

(f) Whenever the contract is rescinded, the Security Deposit shall be forfeited and the Performance Guarantee shall be encashed. The balance work shall be got done independently without risk & cost of the failed contractor. The failed contractor shall be debarred from participating in the tender for executing the balance work. If the failed contractor is a JV or a Partnership firm, then every member/partner of such a firm shall be debarred from participating in the tender for the balance work in his/her individual capacity or as a partner of any other JV /partnership firm.

3.0 SUB-CONTRACTING:-Not Applicable

4.0 Laws Governing the Contract

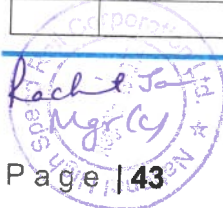

4.1 The contract shall be governed by the laws in force in Maharashtra.

5.0 MOBILISATION ADVANCE

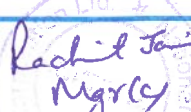

5.1 No mobilization Advance shall be paid by NHSRCL.

6.0 Working Hours

6.1 As per contractor, preferably from 8.30am to 6.30pm.

7.0	Medical and Personal Accident Insurance
7.1	Medical and Personal Accident Insurance will be borne by the Contractor.
8.0	Payment Mode
8.1	Payment of wages, all allowances and benefits, leave entitlement, EPF Contributions, insurance (as applicable) etc., shall be the Contractor's responsibility as per the Acts prevailing in India and Local Authority.
8.2	Payment shall be released to Contractor on submission of monthly report in a format approved by NHSRCL in Hard and soft copy. Merely by conducting the test the contractor shall not be eligible for payment. Rates are inclusive of all taxes as applicable, no separate claim for tax shall be entertained.
8.3	All measurements and quantities shall be expressed in units as defined in "Bill of Quantities"
8.4	All payment to the Contractor shall be made through RTGS / A/c payee cheque. For the purpose of RTGS Contractor has to provide his A/c Number, name of Bank, IFSC code of Bank and Address of bank etc.
9.0	Priority of Contract Documents.
9.1	All tender documents forming the contract between NHSRCL and the Contractor are mutually explanatory of each other. In case of any conflict, discrepancy, inconsistencies, ambiguities between the various documents in the contract, the order of priority shall be followed as per Contract Agreement. However, the interpretation of Engineer/Employer shall be final in this regard.
10.0	Accepted Rate applicable till the completion of work
10.1	The rates as per the accepted Bill of Quantities shall be firm and hold good till the completion of the work, and no additional claim or amount shall be admissible on account fluctuations in market rates, increase in taxes, GST, levies, fees royalties etc.
10.2	The Contractor shall be fully responsible for all welfare requirements of the manpower deployed, including (but not limited to), their accommodation, meals, wages, salary, transport to and from the site and entitlement.
11.0	Indemnity by the Contractor
11.1	The Contractor shall hold and save harmless and indemnify the Client/Employer/ officer-in-charge and their employees, from all actions, suits, proceedings, loss, costs, damages, charges, claims and demands of every nature and description brought against or recovered from the Client/Employer/ officer-in-charge and their employees by reason of any act or omission of the Contractor and/or his representative and/or his Employees and/or his Contractor in the execution of the works or in the guarding of the same. All the sums payable by Client /Employer/ officer-in-charge by way of compensation under any of these conditions shall be recovered from the dues of the Contractor, without reference to the actual loss or damage sustained, and whether or not any damage shall have been sustained.

 Rachit Jain
 Mgr/cy

PROFORMAS

PROFORMA-A**FORM OF AGREEMENT***(To be executed on requisite value of stamp Papers)***AGREEMENT**

THIS AGREEMENT made on _____ day of _____ (Month/year) between **National High Speed Rail Corporation Limited**, (hereinafter called “the Employer/Engineer”) of the one part and _____ (name and address of the Contractor) (hereinafter called “the Contractor”) of the other part.

WHEREAS the Employer is desirous that work of “.....” should be executed by the Contractor viz. **Contract No.** _____ (hereinafter called “the Works”, and has accepted a Bid by the Contractor for the execution and completion of such Works and the remedying of any defects therein.

NOW THIS AGREEMENT WITNESSETH as follows:

1. In this Agreement, words and expressions shall have the same meaning as are respectively assigned to them in the Conditions of Contract hereinafter referred to.
2. The following documents shall be deemed to form and be read and construed as part of this Agreement:
 - (a) Contract Agreement
 - (b) Letter of Acceptance of Tender
 - (c) Addendum(s)/ Corrigendum(s), if any.
 - (d) Financial Bid & Bill of Quantities
 - (e) Special Conditions of the Contract
 - (f) Terms of Reference / Scope of Work
 - (g) Technical Specifications and Standards.
 - (h) General Conditions of Contract
 - (i) Other Relevant Standards/codes/ any other documents forming part of agreement.
3. In consideration of the payments to be made by the Employer to the Contractor as hereinafter mentioned, the Contractor hereby covenants with the Employer to execute and complete the Works and remedy any defects therein in conformity in all respects with the provisions of the Contract.
4. The Employer hereby covenants to pay the Contractor in consideration of the execution and completion of the Works and the remedying of defects therein the Contract Price or such other

BILL OF QUANTITIES (BOQ)

INSTRUCTIONS TO THE BIDDERS FOR FILLING THE BOQ

- 1) All prices should be in Indian Rupee.
- 2) In case of discrepancy between unit price and total, the unit price shall prevail. In case of discrepancy between sub totals and the total, the subtotal shall prevail.
- 3) Tenderers are required to quote their **rate in percentage only**.
- 4) Tenderers are required to quote their rate in %age **above/below/at par** for Schedule items.
- 5) Items and quantities given in the Bill of Quantities are approximate and are just to give an idea of work involved. NHSRCL reserves the right to delete/operate any other items given in the schedule concerned, without any limit of variation to complete the work. The payment of schedule items shall be made at the accepted percentage **above/below/at par** of schedule and in terms of relevant clause of SCC/GCC.

BILL OF QUANTITIES (BOQ)

Name of work: Mumbai – Ahmadabad High Speed Rail Project: Proposed Mitigation Measures in Sanjay Gandhi National Park & Tungreshwar Wildlife Sanctuary for wildlife Movement between HSR Ch: 47.600 to 48.600 (approx.)

Items	Description of Item	Unit	Qty.	Rates (Rs.)	Amount (Rs.)
NS-1	<p>Preparation of General Arrangement Drawing (GAD) for a combined Overpass (over the existing Diva - Vasai railway line and proposed DFC line) and Underpass (under MAHSR, MMC and an elevated PWD road).</p> <p>The following sub works are part of preparation of GAD and reality modelling;</p> <p>a. Collection, study and interpretation of plan & section of Mumbai Rail Vikas Corporation line (MRVC), DFCCIL Line, Multimodal Corridor of MMRDA. It will include co-ordination with DFC and collection of details of underpass/ overpass being constructed in Nagle village.</p> <p>b. Carrying out the survey of the alignment using mid height capability mapping drone of Indian licensed manufacturer having various interoperable Medium Altitude Long Endurance (MALE) drone with at least 24 megapixel camera and variety of payload and sensors. (including taking permissions for flying Drone)</p> <p>c. Carrying out a detailed topographic survey, using digital aero triangulation and GPS, need to be done along the alignment of MAHSR for sufficient width (atleast 75 m on LH side and 50 m on RH side), so that alignment of DFCCIL, MMC, IR are covered.</p> <p>d. Preparation and approval of GAD for overpass over the alignment of DFCCIL, IR, and under pass below alignment of NHSRCL MMC and elevated PWD road.</p> <p>e. Preparation of GAD for elevation of existing PWD road suitably to accomodate underpass below it.</p>	Job	1	18,00,000	18,00,000

Items	Description of Item	Unit	Qty.	Rates (Rs.)	Amount (Rs.)
	<p>f. Preparation of GAD for widening of existing culvert.</p> <p>g. Preparation of report in both electronic format (in X, Y, Z Coordinate system), 3D Models and hard copies. The digital output needs to be a high-resolution 3D model of the existing conditions with a navigable fully photo-textured, geographically located 3D model with precise geometry. A licensed version of the software for future processing needs to be delivered along with the 3d model. Plans, longitudinal sections and cross- sections shall be prepared to the scale.</p> <p>h. Still oblique photography to create 3D vector model.</p> <p>i. Preparation of a scaled 3D rendered model in 3D max software having resolution upto 4K for the proposed overpass cum underpass, HSR , DFCCIL, MMC, utilities etc based on available technical specifications and drawings of NHSRCL and other Agencies.</p> <p>j. Superimposition of 3D model of the proposed structures i.e. Overpass, DFCCIL alignment, NHSRCL alignment, MMC etc, on actual 3D model of the area</p> <p>k. Preparation of animation film in augmented reality software using the rendered models and actual videos with well researched and drafted script in Marathi , Hindi and English languages</p> <p>l. Prepare final documentary film of actual work done and the challenges faced using stock photos and videos)</p> <p>m. Getting approval of GAD from different stakeholder i.e. DFCCIL, Indian Railways, MRVC, MMRDA, PWD and Chief warden of wildlife.</p> <p>n. Submission of BOQ and item wise cost estimate for civil works supported by rate analysis.</p>				
NS-2	Designing the technical requirements related to effective wildlife corridors	Job.	1	8,00,000	8,00,000

Items	Description of Item	Unit	Qty.	Rates (Rs.)	Amount (Rs.)
	<p>a. Preparation of the Animal Passage Plan in consultation with State Chief Wild Life Warden on the basis of WII guidelines named <i>Eco Friendly Measures to Mitigate Impact on Linear Infrastrutture on Wildlife.</i></p> <p>b. Design of the technical requirements (re-wilding, Guide fencing ground preparation) related to effective wildlife corridors Co-ordination in consultation with joint wildlife corridor expert team comprising SGNP and TWLS Wildlife department, BNHS, Wildlife Institute (WII), Satpuda Foundation, Wildlife Conservation Trust (WCT).</p> <p>c. Getting approval of Animal passage plan from concerned stakeholders i.e. Chief Warden of Wildlife.</p> <p>d. Submission of BOQ and item wise cost estimate for Wild Life Corridor supported by rate analysis.</p>				
NS-3	<p>Support services for getting the stage-II approval from MoEFCC and other authorities.</p> <p>In this connection the agency need co-ordinate with Chief Wild Life Warden of Maharashtra and other authorities to do get stage II clearance. It also includes getting Clearances from MOEFCC and NBWL, if required. The work includes but not limited to, attending meeting with or on behalf of NHSRCL, preparation of presentations, drafting letters etc.</p>	Job	1	6,50,000	6,50,000
NS-4	<p>Structural Design of elevated PWD road as per approved General Arrangement Drawing.</p> <p>The agency will submit detailed drawing and BOQ with cost estimates supported by rate analysis for all components of a viaduct i.e. design of foundations, piers, backfill, bearing, girder, slap, dirt wall, abutments, railings etc. including necessary geotechnical investigation at the proposed pier locations. Geotechnical report shall be submitted to NHSRCL separately.</p> <p>Proof checking of the design shall be done by IIT/B or any other reputed government institute. Actual cost of proof check shall be borne by NHSRCL.</p>	Nos.	1	8,50,000	8,50,000
	Amount				41,00,000/-

Rate.....
(The tenderer should quote at par/ percentage above /percentage below on the above rates.)
Rates should be quoted in words and in figures.

Note:

- The bidder shall quote rates as per the above schedule on the BOQ only. Rates quoted else where in the tender document shall not be considered for evaluation.
