**Notes for the Bidder**

- (i) Non-performance, which is basically termination of the Contract as decided by the Employer, shall include all contracts:
  - (a) where non-performance was not challenged by the Contractor, including through referral to the dispute resolution mechanism under the respective contract or by written representation/appeal to the Employer, and
  - (b) that were so challenged but fully settled against the Contractor.

Non-performance shall not include contracts where the Employer’s decision was overruled by the dispute resolution mechanism. Non-performance must be based on all information on fully settled disputes or litigation, i.e. dispute or litigation that has been resolved in accordance with the dispute resolution mechanism under the respective contract and where all appeal instances available to the Bidder have been exhausted.
- (ii) This requirement also applies to contracts executed by the Bidder as a JV/Consortium member.
- (iii) The Bidder shall provide accurate information on the related Bidding Form about any litigation or arbitration that are fully settled **against the Bidder or any member of a JV/Consortium** resulting from contracts completed or ongoing under its execution since 1<sup>st</sup> January 2020 up to 28 days prior to the Bid Submission deadline. A consistent history of awards against the Bidder or any member of a JV/Consortium may result in rejection of the Bid.

		numbers of Flash Butt Welding of Rails. Note: Works under various contracts can be added to meet the above criteria.					

**Notes for the Bidder**

- i) For the purposes of this criterion, Management Contractor is also considered as Prime Contractor. A firm which takes on the role of contract management is referred herein as Management Contractor. Management Contractor is a firm that does not normally perform directly construction work associated with the contract. Rather, it manages the work of other (sub) contractors while bearing full responsibility and risk for price, quality, and timely performance of the work contract.
- ii) Similar contract would mean contract(s) in which the following activities have been completed:  
 Slab Track installation for HSR (for speed more than or equal to 250kmph) of minimum 45km track length  
 or  
 Ballastless Track Construction for Metro or Railway projects of minimum 45 km track length  
 Note: Works under various contracts can be added to meet the above criteria.
- iii) Substantial completion shall be based on 80% or more payment received under the contract.
- iv) For contracts under which the Bidder participated as a JV/Consortium member, only the Bidder's share shall be considered to meet the

requirement mentioned in ii) above.

- v) For contracts under which the Bidder participated as a JV/Consortium member or Subcontractor, only the Bidder's share shall be counted to meet this requirement.
- vi) In case the construction experience in key activity 3.2(d)(iii) is being met by a specialist subcontractor, then in addition to Form ELI-2 and EXP-2(b), the undertaking from specialist subcontractor, for willingness to associate with the bidder, shall be submitted without which specialist subcontractor's experience shall not be considered.
